2020 Association Dues and payments

The 2020 billing cycle is here. All REALTOR members can access their invoice and pay their dues online at **www.nar.realtor**. Log in is required so please make sure you are able to access your account.

Online payment allows members to pay invoices directly online with a credit card or electronic check. The system automatically adds late fees and other charges to the online invoice, and does not allow members to make a mistake or pay the wrong amount. Reducing the chance of member error saves time and resources on dues collection each year. When members log in and pull up their invoices, they see a “pay” button at the bottom of the screen, then a “checkout counter” screen where they can enter credit card or check information. The system validates payments in real time and sends the association a report confirming the payment.

Your Payment will be processed for \$660.00

Payments for dues and other fees shown on your member invoice billings are non-refundable.

To proceed with payment, this box must be checked to confirm understanding of this policy.
